In memory of Rudi Knabl of Bavaria – undoubtedly the best „Zither-Player“ in the world. Worldwide acclaimed and better known as the “Zither-Kaiser” especially in Japan and the US. His romantic renditions of famous tunes from Standards to Christmas songs, are played with skill and feeling. A must have for the Christmas period. We want to highlight the original compositions of Bernhard Wolfmann “Festliche Stunden” and “Weihnachtsglöcklein”, that are the perfect expression of melodic winter escapism, given us a traditional insight into the Bavarian Christmas mood.
